	unemployed and underemployed in the Nation's most economically distressed regions.	
Department of Commerce's Economic Development Administration (EDA) Public Works and Economic Adjustment Assistance programs. http://www.grants.gov/web/grants/view-opportunity.html?oppld=279842	Multiple programs. Grants made under these programs will leverage regional assets to support the implementation of regional economic development strategies designed to create jobs, leverage private capital, encourage economic development, and strengthen America's ability to compete in the global marketplace. Through the EDAP FFO, EDA solicits applications from rural and urban communities to develop initiatives that advance new ideas and creative approaches to address rapidly evolving economic conditions.	There are no submission deadlines under this opportunity. Proposals and applications will be accepted on an ongoing basis until the publication of a new EDAP FFO.
Virginia Tobacco Indemnification and Community Revitalization Commission http://www.tic.virginia.gov/overview.shtml	Broadband project eligible for 2 different categories: Southside or Southwest Economic Development funds. The Commission staff reviews applications for feasibility and the potential to positively impact the regional economic base, then provides recommendations to the Commissioners serving on the respective program Committee. Committee recommendations are determined in public meetings and are then forwarded to the full Commission for final action at one of its quarterly meetings.	Grant application cycles are announced annually.

Opportunity	Brief Description	Application Timeline
<p>FCC Mobility Fund Phase II https://www.fcc.gov/mobility-fund-phase-2</p>	<p>The Mobility Fund is the wireless component of the Connect America Fund. It provides support for the expansion of mobile broadband networks in areas that might otherwise not be served. The Mobility Fund consists of two phases. Phase I provides immediate one-time support to accelerate the deployment of mobile broadband and voice service to unserved areas. A nationwide reverse auction held in September 2012 awarded \$300 million of Phase I funds to over 30 service providers. A separate auction, called the Tribal Mobility Auction, will award up to \$50 million to providers that serve Tribal lands. Phase II provides ongoing support to deploy and maintain mobile broadband and voice service in high-cost areas. Up to \$500 million will be available every year; however, the FCC is studying the exact amount to be allocated for services on Tribal lands in future years.</p>	<p>Not yet active.</p>
<p>Lifeline Support http://www.lifelinesupport.org/ls/changes-to-lifeline.aspx</p>	<p>After December 2, 2016, you will be able to apply your monthly Lifeline discount towards internet service. If you would like to switch to an internet plan, ask your telephone company or internet provider if a Lifeline Program cell phone data plan or home internet service is available in your area. For a list of companies in Virginia: http://www.lifelinesupport.org/ls/companies/CompanyListing.aspx?state=VA&stateName=Virginia</p>	<p>This program is open year-round.</p>
